

CHAIN STOPPERS

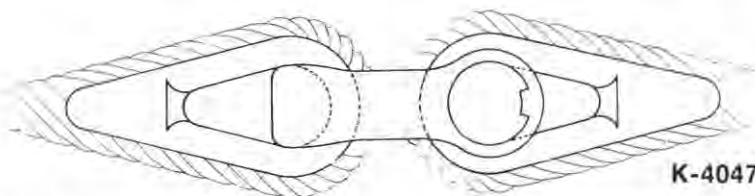

SWL 35T	SWL 50T
K-4045	K-4046
062-0037	062-0028

K-4045

K-4046

PENDANT - LINE SHACKLE

K-4047

SECURING NUT

Castellated: for ease of placement and removal by one man.

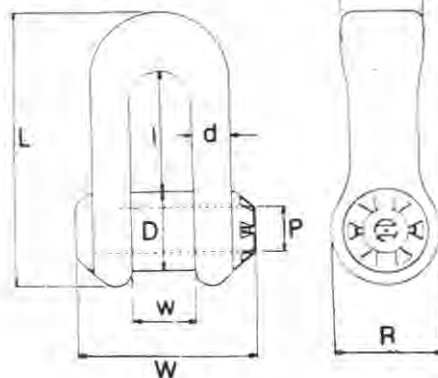

Contoured: to avoid wire rope damage on winch drums.

SHACKLE BODY

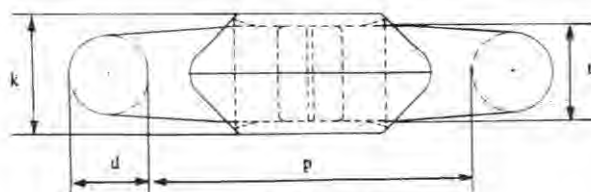

With optimum curvature to accommodate thimbles and avoid thimble collapse. Note Bolt Spacer (BS) with same function.
