

Extra Heavy Oval and Diamond Blocks for Wire Rope

These blocks are available with steel or iron sheaves up to 14", 16" and 18" blocks are available with steel sheaves only. They feature bronze, self-lubricating bushings or grooved bronze bushings with pressure grease lubrication. They are available with either tapered roller bearings, or ball bearings having pressure grease lubrication. Ball and tapered roller bearings are recommended for steel sheaves only. All fittings are drop forged. All blocks have painted finish, except "N" (galvanized). Blocks with greater working load limits are available on request.
